"We Serve"

Lions Clubs International is the world's largest service club organization. We have 1.35 million members in more than 46,000 clubs worldwide.

Lions are everywhere. We're active men and women in more than 206 countries and geographic areas.

Lions have a dynamic history. Founded in 1917, we are best known for fighting blindness – it's part of our history as well as our work today. But we also volunteer for many different kinds of community projects.

Being a Lion...

Being part of something bigger matters to our members. That is why Lions work on local and global initiatives for youth, humanitarian needs and disaster relief.

Mission Statement of Lions Club International:

To empower volunteers to serve their communities, meet humanitarian needs, encourage peace and promote international understanding through Lions Clubs.
